SPECIFICATION SHEET

20.10.09

De-ionised water or de-mineralised water material

Clear colourless and odourless liquid.

Molecular Formula: H₂O

Molecular Formula: 18

Conductivity:

4 to 6 micro siemens
(10 micro siemens max)

pH:

5 to 7.5

Insoluble impurities:

10.0 ppm max

Chlorides: Less than 1 ppm

Fluorides: Less than 0.1 ppm

Total solids: Less than 2ppm

PLEASE NOTE: De-ionised/de-mineralised water should not be stored in direct sunlight.
